

CLEANVIEW

Large Capacity Dispensing System

CleanView is a unique, technologically advanced Triple S Quality Skin Care dispensing system that accepts 2 cartridge types,

Our smoke-colored PVC cartridges hold our general purpose products. Designed so that the maximum amount of product is stored in the least amount of space, they are time-tested and completely waterproof. Sleek and attractive, they offer a full-view product level for easy maintenance.

Our Triple S Professional line of heavy-duty hand cleaners uses HDPE cartridges. They are rugged for Industrial use and make it easy to see the product level. With both CleanView cartridges, when it's time to add more product, simply insert a new cartridge into the dispenser.

The CleanView System reduces maintenance costs by extending time between refills. The same black CleanView dispenser accommodates 2000 mL, 4000 mL and 4500 mL refills, to meet changing volume requirements. Dispenses 1.5 mL of liquid soap per push.

CleanView is the highly attractive, trouble-free solution to modern handwashing needs.

CLEANVIEW

Large Capacity Dispensing System

GENERAL PURPOSE

Luxury Lotion Lotonized Soap with Moisturizers

Premium general purpose hand soap. Rich, creamy white, pleasantly scented formula that cleans and moisturizes. Recommended for applications where frequent repeated handwashings may be required.
